

## THIS NEW WEB-BASED WEEKLY NEWSLETTER

will track the meetings and proposed code changes of local governments across the region. Subscribers can download weekly reports on city council meetings, planning commission meetings and other issues from Raleigh to Chatham County and about everything in between. We'll include meeting notice information on important issues from growth and development, to proposed zoning and infrastructure changes.

## NO MORE SEARCHING THROUGH ENDLESS PAGES

of meeting agendas and notices — the TCC compiles hundreds of pages into a simple format to meet your needs and interests. Updated weekly, this new service is ideal for businesses, citizens and others who are interested in seeing what local governments are proposing regarding land use, zoning and growth related issues.

**A SUBSCRIPTION TO THE TCC ISSUES MONITOR** includes a weekly email notice and link to the Monitor Web page, where subscribers can access the newsletter, browse excerpts from recent local government agendas, and print out pertinent information.
