What's to Come in 2010?

Emerging Trends in Real Estate 2010, undertaken jointly by ULI and PricewaterhouseCoopers, provides an outlook on U.S. investment and development trends, real estate finance and capital markets, property sectors, metropolitan areas, and other real estate issues.

The report draws on formal and informal surveys of real estate executives, investors, developers, and market experts around the U.S., including survey responses from over 400 real estate executives and personal interviews with over 150 industry leaders about the trends to come in the following property types:

- Residential
- Multifamily
- Office
- Retail
- Industrial
- Hospitality

Emerging Trends also covers trends in capital flows and markets to watch.

Come on **FRIDAY THE 13TH** to hear what 2010 will bring for the global market, the national market, and thus the Triangle...
