

Pork has always been a staple in politics.

Rarely has it been this tasteful.

2007 Political Pig Pickin'!

If you've never been to an old fashion political rally and candidates' forum, then you're in for a treat. Here's what we've planned for the evening:

- Candidates from towns and cities throughout the region have the opportunity to mingle with hundreds of potential voters.
- We'll serve a little pig and lots of politics.
- Candidates will have an opportunity to give a short and informal "stump speech."
- A straw poll to wrap up the event.
